

Mary Schusterbauer, President
Women Officials Network

Layne Sakwa, President
Women Officials Network Foundation

July 17, 2017

Dear WON members,

With a strong commitment to building capacity, the leaders of both the Women Officials Network and the Women Officials Network Foundation are asking for your support to transition to a new way of fulfilling our commitments to you as members of WON.

- Will you attend the Special Membership Meeting on Friday, August 17, 2018 at 7:30 AM at the Doyle Center, 7275 Wing Lake Road, Bloomfield Hills? There is no cost. Coffee and pastries will be served.

We feel that working together as one Board rather than two is a more powerful way to move forward. We decided to evolve to further our shared mission and vision. Transitioning is all about providing more.

- More focus on what members feel matters most
- More programming, more training, more leadership opportunities
- More hands and hearts to help more women succeed

To facilitate this new vision, three joint committees, each with leaders from WON and the WON Foundation, identified several critical actions.

- The WON Foundation revised its bylaws to add membership, Quarterly Networking Breakfasts and more Board and Committee leadership roles.
- A new professional Administrator was hired to support the Board of Directors.
- Officers and Directors will be nominated on August 17, 2018 who are passionately committed to fully supporting the mission and vision.

Please review related documents for additional information. A special Member FAQ and copy of the current WON bylaws will be available at www.womenofficialsnetwork.org.

1. August 17, 2018 Agenda
2. Women Officials Network Foundation Bylaws – revised July 15, 2018

We are grateful to all who joined and supported each effort to empower leaders of today and mentor leaders of tomorrow. To help move forward, will you attend on August 17th?

Please RSVP to Monique.magee@gmail.com.

Sincerely,

Mary Schusterbauer

Layne Sakwa
